

**THE 3905 CENTURY CLUB, INC.
NITE OWL AWARD APPLICATION**

(EACH BAND/MODE SEPARATELY)

(ENDORSABLE)

The Nite Owl Award is earned by working 100 different call signs on a late net. This award may be earned for each band/mode combination for which *The 3905 Century Club, Inc.* operates a late net. **A Late Net is any net that is designated as such and is scheduled to begin at or after 0400 UTC and conclude before 1500 UTC.**

DEFINITIONS:

CALL SIGN – A call sign consists of three or four elements as shown below. In some cases additional call sign modifiers indicating operation outside the country of licensure may appear before or after the call sign. See "call sign modifiers."

CALL SIGN COMPONENTS			
PREFIX	CALL AREA	SUFFIX	MODIFIER
KA	7	ABC	
WA	3	EOP	/M NY
VE	4	ABU	/W8
NJ	2	LH	/P

A change in any one of the components of a call sign results in a new call sign for 3905CC purposes. A call sign without a change of prefix, call area or suffix may be used a maximum of three times in the home state (Canadian province or territory or other DX entity) – at the licensed location (fixed), portable and mobile. Unless the license address is changed by the FCC (or other call sign issuing authority) specifying a new station address, the call sign may be used two times in each state (Canadian province or territory or other DX entity) other than the home location – portable and mobile.

DX – DX is any entity listed in the *ARRL DXCC List* except the 50 states of the United States and the District of Columbia. Stations on boats and planes operating legally within the 12-mile territorial limits of a DX entity as previously defined are considered to be DX operating from that entity.
