

Greetings, 3905ers!

Our hearts go out to all the people in the Carolinas, Georgia, and Florida who have been suffering in the aftermath of Hurricane Helene. Reports and pictures of the devastation are unimaginably horrible. This storm was and remains a disaster of cataclysmic proportions.

Back to the mundane subject of awards, we issued only eleven awards, endorsements, or certificates of appreciation to eight members in six areas this week. We signed up one new member.

So, here we go...

NEW MEMBER(S)
