

## Greetings, 3905ers!

I hope all our U.S. members had a Happy Thanksgiving and have awakened from your turkey comas.

We had a fair to middlin' awards week, with twenty-three certificates issued. (Eight of them were Baker's Dozens, plus an equal number of Baker's Dozen Certificates of Appreciation). Awardees included thirteen members in seven areas. We added one new member, and we issued a big progressive to a seventh area (sometimes) member.

### **That's all the awards this week!**

Rather disappointing to see only one area director candidate each in the odd-numbered areas as of the time I am publishing this weekly report. It is my fervent hope that someday we'll have real elections with at least two candidates for each area, but I'm not holding my breath. Folks, if you care about the club and have a desire to be a part of its leadership, it is not too late to nominate yourself. Don't delay – act today!

Respectfully submitted,
