

## Greetings, 3905ers!

Oppressive summer heat here and across the Eastern US this week. We've seen "Feels Like" readings in the 118 degree range. That'll take the wind out of one's sails – and it isn't even a "dry heat".

Sixteen certificates or endorsements went to thirteen members in six call areas. Among the featured awards this week were another all-time #1, a WACCN, and a large progressive on 75 Meters. We added one new member to round out a nice week of award activity.

### NEW MEMBER(S)

**BEN MARTIN, AE0WD**, of Perham, MN, earned his membership on 40M SSB.

**Welcome, Ben!**

## SECOND CALL AREA

**DAVID PELKEY, N2KED**, of Poughkeepsie, NY, earned **WAS-QRP Award #1** at power level **ONE WATT** on 40M SSB. Mighty big accomplishment with one puny watt, requiring superior antennas and operating skills in the absence of brute force. How did he do it? I hope he writes an article for the Centurion telling the story! Congratulations, Dave!

**MATT TAYLOR, K2YS** (*Webmaster*), of Newton, NJ, earned **Worked All Century Club Nets Award #56** at Level 14, the current number of band/mode combinations. This is a difficult and comprehensive award, which requires participation in all our nets. Hats off to Matt for this major accomplishment.
