

## Greetings, 3905ers!

Eyeball Week is next week, already! I'll be bringing any certificates earned by those on the attendee list, because I'm too cheap to pay the postage, and besides, you'll get them quicker. (Just ask Chuck, N5WGA).

I'll remind you that award issuance will take a break for a few weeks due to my Eyeball attendance and travel before and after. I encourage you to submit your applications to your AAMs, and I will in turn play catch-up on my return.

Though mostly Baker's Dozens, this week saw an uptick in award production. I guess you wanted to make me work right up to my departure time. Twenty-eight certificates are going out one way or another to sixteen members in eight areas, and those include two large progressives, both in the Tenth Area. We added one new member.
