

The 3905 Century Club Mobile Antenna Shoot-Out 2022

At the Kent/Brimfield Township Eyeball

Saturday, July 30, 2022

9:30 – 11:30 AM EDT

Please join us for a grand Saturday morning competition where you will see how your mobile signal stacks up against the rest! If you do not have a mobile setup, come anyway – this event is a fun spectator sport where you can speculate on whose rig will be Top Gun!

Note to Ohio State Police: there will be no organized betting on premises!

The winner will be declared **Top Gun**, and he or she will reign for a year until the next shootout. Last year's Grand Poobah was **Jim Higgins, KB3PU**. Second and Third Place entrants will be recognized as **Big Gun** and **Son of a Gun**, respectively. Even the last place finisher will not be left out – the **Pop Gun** designation will stick with him or her for a full year. Congratulations to **Doug Roberts, NE0A**, for upholding that fine tradition for the current year.

The venue this year in Brimfield Township will be Town Square Drive, a disused cul-de-sac less than five minutes from the headquarters venue.

A locator/routing map is included in the [Shootout Event Brochure](#) (coming soon!) where you will learn all about the shootout, its history, how we score it, where you will go, and everything else you will need to know to go for Top Gun. Please [register early on-line](#), so we can keep the [full list of combatants](#) up to date.

Our shootout masters this year once again will be the Dynamic Duo of the Fourth Area: **Ben, AE4NT**, and **Dwight, WF4H**, along with a cadre of competent volunteers. We look forward to seeing you in Ohio!

Recent Past Mobile Shootout Top Guns

YEAR	CALL SIGN	ANTENNA TYPE	VEHICLE	MOUNT POSITION
